FRIDAY FROM 14:00 TO SATURDAY 20:00

For many children, the school canteen is the only place to have meal regularly. When there is no school, it is more difficult for them to get breakfast, lunch and dinner every day. Therefore, there is an even greater need for donations during this period.

Please support people in need by buying non-perishable foods and handing them to our volunteers at the donation point next to the exit. We will distribute the donated goods to disadvantaged people in the coming weeks.

Thank you on their behalf as well.

WHAT WOULD THE NEEDY BE HAPPY FOR?

Non-perishable food items such as **canned fruits and vegetables, rice, chocolate, biscuits, dry pasta, jam, candies or any other products** that do not require cooling.

The Hungarian Food Bank Association non-profit organization seeks and collects food surplus remained in the course of production and marketing and distributes it to people in need free of charge.
